RE: Ravalli County Support for Bitterroot National Forest Application for Collaborative Forest Landscape Restoration Program (CFLRP) Funding

Dear Matt,

The Board of Ravalli County Commissioners (BCC) thanks you and your staff for working collaboratively with the BCC to improve landscape resilience in the Bitterroot National Forest. The Bitterroot Front Project is critical in protecting the health, safety and welfare of our citizens in Ravalli County. The Bitterroot Range, especially in the Wildland Urban Interface (WUI) is in desperate need of vegetation management.

The BCC fully supports the application for the CFLRP funding and looks forward to working with the Bitterroot National Forest and other partners on the Bitterroot Range Project. Thank you for your consideration.

Sincerely,

Ravalli County Board of Commissioners

Jeff Burrows, Chairman

Greg Chilcott, Member

Chris Hoffman, Vice-Chair
