Re: New road & curb, Mabel Lane & Conyers at Kurtz Lane, Hamilton

Dear Members of the School Board, Commissioners & City Council:

I saw this situation posted on Facebook by Terry & Clair Conyers granddaughter, Kellie Newman, a copy of the photo is herein, and I'm writing on behalf of the Conyers, whose property has been negatively affected by the new road and curb constructed on Mabel Lane off Kurtz Lane. My late husband, Jerry Jeffries, and I owned the property at 206 Kurtz Lane, across the road from the Conyers. We were so happy when they bought that place, cleaned it up, turned their yard into a show place and kept it looking so beautiful.

((Some background info is that 206 Kurtz Lane was the last piece of property owned by Mabel Kurtz which Jerry and I bought from her in 1992 and gave her a Life Estate to live there until she passed away in 1998. Prior to Mabel's passing, Jerry & I had owned & lived in the house at 211 Kurtz Lane which we had bought from Mabel in 1974. Later, the school bought the house at 211 from our Buyer, and said house was torn down to build the other access road to the Daly School from Kurtz Lane. At one time, many years ago, the Conyers property was also owned by Mabel Kurtz.))

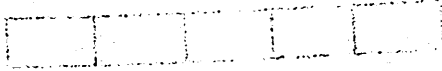

After Mabel passed away, Jerry and I remodeled & moved onto the 206 Kurtz Lane which I sold last year and moved to Nevada.

I am certain that both my late husband, Jerry, and Mabel Kurtz, for whom Mabel Lane is named, as well as the many who saw this on Facebook, would join me in pleading for this unconscionable situation to be corrected, in whatever manner necessary, without cost to the Conyers, for them to regain normal use of their property. I have no knowledge of the legal property boundaries or the easement limitations, but I know that the Conyers are wonderful people and were great neighbors.

Thank you for your attention and for any positive remedy that
