Subject: Hughes Creek

Good Morning,

While camping in the Hughes Creek area over the Labor Day holiday, several of us traveled up to the gate that has been in dispute for several years anticipating that the gate would no longer be there. The gate is still there. We thought the Supreme Court had ruled against the landowners and that the gate was suppose to be removed by August 1st. If this deadline has changed, could you please advise?

I am enclosing a photo we took on August 29, 2019 showing the gate still up and "No Trespassing" signs still there. If you have any questions about the photo, please contact Norm Vercruyssen at 363-8179. My husband and I will be gone on vacation for 2 weeks so Norm can answer any questions.

Sincerely,

Ann & Larry Seymour
