Re: Extension of Time Request for Bitterroot Tool & Machine Inc. MT-BSTF-1-19-11

Dear Ms. Townsend,

Ravalli County requests a six month extension of time, until April 17, 2020, for the Bitterroot Tool & Machine Inc. above referenced contract.

Bitterroot Tool & Machine Inc. is one of a few high-end manufacturing companies in Ravalli County. Ravalli County would like to assist BT&M by supporting their Big Sky Trust Fund grant with a little additional time. Many thanks to the Department of Commerce, Big Sky Trust Fund for considering this request.

Sincerely,

Jeff Burrows
Ravalli County Commissioner, Chair
