**RE: July 1, 2019 through September 30, 2019  
Live Card Game License Fee Distribution to Local Government**

Enclosed is your **first quarter** live card game license fee distribution. Your check was either electronically deposited to your account or is enclosed. This distribution is your share of the total license fees collected for your city or county jurisdiction. This distribution is in compliance with Section 23-5-306, Montana Code Annotated.

When establishments license a live card game table with our office, they are required to pay a \$250 license fee for the first table and \$500 for each additional table. The department shall retain for administrative purposes \$100 of the fee collected. The department shall forward on a quarterly basis the remaining balance of the fee collected to local jurisdiction in which the table(s) is located.

**Please carefully check your breakdown listing and notify me if you should find any errors. This allows all local governments to receive the correct tax payment.**

If you have any questions, please feel free to contact our office.

Sincerely,

Lisa M. Christiansen
