Subject: Regarding Skalkaho Bend Park meeting 10-25-19

To whom it concerns:

The proposed Skalkaho Bend Park will be immediately adjacent to Rocky Mountain Laboratories (RML). As part of earlier Master Planning efforts, the option was presented to add a secure employee-only pedestrian portal to provide access in the event there were a public trail. However, actual planning for that portal has not been initiated or re-evaluated. Nevertheless, it is likely that RML employees will use the trails before and after work as well as on breaks.

Respectfully,

Marshall E. Bloom, M.D.
Associate Director for Scientific Management
Laboratory of Virology
Rocky Mountain Laboratories

Josh Kellar
Associate Director
Office of Operations Management
Rocky Mountain Laboratories

Send on behalf of Dr. Bloom and Mr. Kellar

Ken Pekoc
Public Affairs Officer
Rocky Mountain Laboratories
NIAID Office of Communications and Government Relations
