Subject: Public comment on Skalkaho Bend Park

My name is Jessica Randazzo and I am the former Mayor of the City of Hamilton and a Ravalli County resident. I am writing in support of the Skalkaho Bend Park. The park's main entrance is one block away from my home. I am excited that this land will be protected and that the public will have one more access point the amazing Bitterroot River. Thank you to all who have been involved in making this project happen.
