DEQ Montana Department of
Environmental Quality

Water Protection Bureau
PO Box 200901
Helena, MT 59620

On January 8 DEQ will discuss proposed changes to the MPDES Rules and the 2020 Water Quality Standards Triennial Review.

Summary of the **MPDES rule changes**:

- Permit application form updates
- Public notice flexibility
- Definitions
- Update DEQ's contact information
- Removal and correction of references
- Removal of redundant conditions

Every three years DEQ conducts a comprehensive **review of Montana's water quality standards**. This review keeps standards current and protective of health and the environment. A significant part of the review process is accepting comments from the public.
