Date: January 22, 2018

Subject: NOTICE TO LESSOR, Federal Government Shutdown

Due to the Federal Government Shutdown, Forest Service leasing officers, employees and building managers will be on furlough and unavailable for routine business and communications. Leased property will be closed but some employees may be exempt and working throughout the shutdown. Government provided service contracts will be suspended and notices will be posted on office buildings for public notification of the shutdown. It is unknown how long the furlough will last. When the furlough ends, you may be contacted by your local Forest Service point of contact providing you further information about resuming normal business operations. In case of an emergency during this furlough period, you may contact Sandi Sandry at 406-239-5129 or your local Forest Service contracting officer representative if they have provided you with contact information as a result of the Government shutdown. We regret any inconvenience this has caused. Thank you for your patience and for leasing to the Forest Service.

Sincerely,

/s/ Sandi Sandry, Jim Thompson, and Sarah Petroff,  
Forest Service Leasing Contracting Officers
