Subject: Bridge and Road Safety and Accountability Program (BaRSAA)/HB 473 Fuel Tax Allocation

MDT is pleased to notify you of your new fuel tax allocation provided by the 2017 legislature thru the Bridge and Road Safety and Accountability Act (BaRSAA) Program (House Bill 473). The new user fee was effective on July 1, 2017.

As provided for in MCA 15-70-130, by March 1 of each year the Montana Department of Transportation (MDT) must allocate BaRSAA funds to each city, town, county and consolidated city-county government in Montana. BaRSAA program funds are in addition to the existing fuel tax distributions provided for in MCA 15-70-101 and 7-14-102(2).

BaRSAA funds are allocated in the same proportion and using the same ratios provided for in MCA 15-70-101(2)(b), (2)(c), and (3). Allocations are calculated based upon the statutory formula. Road mileage reflects each city and county's locally certified mileage received by MDT this past year and the population estimates are based on the 2016 US Census Bureau's population estimates. The allocation available for your local government to request beginning March 1 is summarized below:

Local Government	2018 BaRSAA Allocation
Ravalli County	\$101,159.62

Beginning March 1, 2018, local governments may request distribution of their allocation from MDT. Local governments must match each \$20 requested for distribution with at least \$1 of local government budgeted matching funds. Reservation requests can be made between September 1st and November 1st. Distribution and reservation requests must be made using the WebGrants online application system. This system will allow for electronic entry of the information necessary for the distribution and/or reservation of funds to local governments.

Training sessions on the utilization of Webgrants will be held via webinar allowing remote participation. The training will also be recorded and will be available to those unable to attend one of the scheduled webinars. The following training sessions are currently scheduled.
