Take Action

We believe Montanans should have a say when it comes to how our wildest places will be managed. Unfortunately, Senator Daines introduced his bill (S. 2206) without holding a single public meeting or town hall.

We're calling on our congressional delegation to find a balanced, bipartisan resolution for all of our wilderness study areas – including the Big Snowies, Middle Fork Judith, West Pioneer, Blue Joint, and Sapphire – places that are essential to our outdoor way of life.
