Dear Robert,

The BOARD OF RAVALLI COUNTY COMMISSIONERS appreciates your time and interest in the application process for the Ravalli County Tax Appeals Board, however another applicant was chosen for this position due to their experience with the Department of Revenue.

We were impressed with your interview and desire to serve Ravalli County and will keep your application on file for other boards you might be qualified for. Always feel free to contact our office at the above number for information on our volunteer boards.

Sincerely,

  
Jeff Burrows, Chairman
