Hello this call is for Lindsay Stone for I was directed to you after calling the main number that was given to me for the health board which is the 375-6672 they return my call and ask me to call you directly to their purpose of my call is to and bye do that I do not support any restrictions on more including debating community and clean and or our there act of Montana it's not necessary and it's not right.

Thank you very much bye.
