Under the FOIA, we are requesting the following information on your decision to include electronic nicotine delivery devices under the Montana Clean Indoor Air Act in Ravalli County.

We are requesting the following:

1. Copies/transcripts of agenda and minutes of the hearing that was held on this matter.
2. An accounting of discussions that were held by board members outside of the formal meetings with other entities/people. All information written or verbal.
3. Copies and dates of the notice to the public, informing them that you were considering this subject. All dates of the public comment sessions.
4. Copies of all transcripts of meetings the board held on this subject.
5. Copies of all documents that were submitted to the board by outside entities, to make this decision.

Sincerely,

Ron and Deanna Marshall
