Re: Letter of May 17, 2018

Dear Commissioners:

On May 17, 2018, I sent a letter to the County Environmental Health Department, on behalf of our association along with the proper filled out forms, complaining about properties with junk cars in our area.

Junk vehicles create not only a health hazard but are very unsightly to the County. To date I have not received a reply. I look forward to hearing back from you in the very near future.
