Ravalli County Commissioners  
215 S. 4th Street  
Suite A  
Hamilton, MT 59840

Dear Commissioners:

The Montana Department of Environmental Quality (DEQ), Motor Vehicle Recycling & Disposal Program, has received an application for a motor vehicle wrecking facility (MVWF) license. The proposed location is within the boundaries of Ravalli County. As required by the Motor Vehicle Recycling & Disposal Act, 75-10-516, MCA, this letter notifies you that DEQ has received the application.

The name and mailing address of the applicant are:

Justin Quist, 1359 US HWY, Victor, MT 59875

The proposed MVWF will be in Ravalli County, within a fenced area, at 1817 US HWY 93, Victor, MT 59875. The property is owned by Mr. Quist operating under the name 406 Aeronautics, LLC. Mr. Quist's application is to license 11.3 acres of the property for use as a MVWF. The legal description of the facility is Section 7, Township 7 North, Range 20 West.

Pursuant to Section 75-10-516(2), MCA, within 30 days of receipt of this notification, the governing body of the County may:

- (a) conduct a public hearing to determine whether the proposed facility will significantly affect the quality of life of adjoining landowners and the surrounding community, and
- (b) adopt a resolution in support of or in opposition to the location of the proposed facility and transmit a copy of the resolution to DEQ. DEQ may not grant a license to a facility that a governing body has opposed under this section of the law.

If I may be of any assistance, please contact me.

Thank you,
