Horse Camp Maintenance and Trail Project

Hamilton, Montana (August 7, 2018) – Bitter Root Back Country Horsemen (BRBCH) and the Bitterroot National Forest are partnering on a project taking place this weekend.

The project will occur on August 10-12th on the Darby/Sula Ranger District at Crazy Creek Horse Camp and the trail to Two Good Cabin. One crew will perform horse camp maintenance and a second crew will camp overnight at the Three Forks area and work on nearby trails.

The public should be on alert and watch out for volunteer work crews and stock at these locations. For more information on the projects visit www.bchmt.org/bitterroot.

BRBCH was established in 1976 and was one of the first chapters in the nation. Their goal is to ensure that stock users can continue to access backcountry and wilderness trails. The chapter annually contributes over 600 personal hours and 425 stock hours on projects, most on the National Forest, that create significant benefits for all trail users and for the natural resources.
