Ravalli County Commissioners

I am writing in support of your letter to Attorney General Jim Fox requesting him to look into the transparency of the out of state money coming into Montana from certain environmental groups.

I believe in transparency, honesty + our local voices being heard by you. So thank you for all you are doing for us in all things.

Russell County Commission

I am writing to report upon the progress of the work of the Commission during the past year. The Commission has held several public hearings and has received many suggestions from the citizens of the county. It has also held several public hearings and has received many suggestions from the citizens of the county.

I believe in transparency and in the fact that the people have a right to know what their representatives are doing. I believe in transparency and in the fact that the people have a right to know what their representatives are doing.
