Hi Shari, I was out all week until today. I have forwarded your email to Commissioner Chris Hoffman as he is the liaison for the Bike Path along Highway 93. Let me know if he does not get back to you and I can have another Commissioner call you. Thanks, Glenda

Subject: Hwy 93 corridor in Stevi

Hi Glenda,

My name is Shari Feeser and I'm hoping you can tell me who the responsible party is for the maintenance of the Highway 93 corridor through Stevensville,

The area along the highway/bike trail looks pretty trashy. Not only all the trash along the side of the road but the plantings in the meridian of the highway.

Thank you for your attention.

Sincerely,

Shari Feeser
