Mr. Olsen; Thank you for your email notification. Yes, the Ravalli County Commissioners are still interested in the Off-System Bridge Funding Program for the Bridge (Bear Creek) as identified in your email. I have confirmed this with our Chairman Jeff Burrows as well as the Road Administrator John Horat. We look forward to this project moving forward. Glenda Wiles, Ravalli County Commissioners Administrative Assistant.

Subject: MDT Off System Bridge Program – L41053005+07001 Bear Creek

We are pleased to inform you that the bridge in the subject line has been selected for the MDT Off-System Bridge Funding Program. Please confirm that you are still interested in advancing the bridge by responding to email with acceptance.

Once we receive your concurrence, we will program the project and seek approval from the Montana Transportation Commission. A preliminary field review will be scheduled after commission approval is received. Your participation in the field review is highly encouraged.
