Dear Friend,

We are reaching out to anglers across Montana with a survey to collect input on how they fish on Canyon Ferry, Hauser and Holter Reservoirs and two adjacent stretches of the Missouri River.

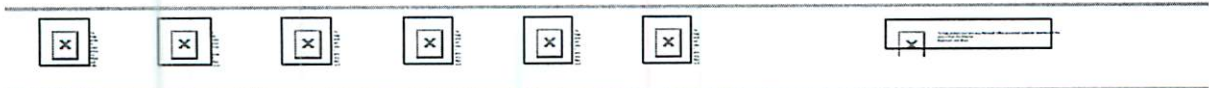

We know that anglers on your contact lists would appreciate the opportunity to participate in this survey. Would you please consider forwarding this link to your contact list?

Please feel free to reach out directly to me with any questions or concerns.

On behalf of FWP, thank you for your help.
