RE: LGA-17-005, Amendment #2

Dear Commissioners:

After reviewing progress reports on file, the DNRC is amending Local Government Forestry Assistance grant LGA-17-005 to Ravalli County through this Amendment #2. This Amendment #2 extends the period of performance for activities under the grant to September 30, 2019. There are no additional funds included under Amendment #2, and no additional payments will be made.

All provisions outlined in the original notification of award under LGA-17-005 and in Amendment #1, concerning use of funds, match, and reporting requirements still apply. Except to the extent amended by this Amendment #2, Grant Agreement No. LGA-17-005 remains fully in effect.

An additional semiannual report is due July 1, 2019.

All funds are to be utilized by **September 30, 2019**, unless extended in writing by DNRC. Funds not expended for approved grant activities by September 30, 2019, must be returned to DNRC unless an additional extension is granted. Details on repayment will be provided after September 30, 2019.

Please contact me with any questions you may have regarding this amendment.
