Subject: Leased Space and Federal Government Lapse in Funding Notification

You are receiving this letter because you provide leased space to the USDA Forest Service. USDA Forest Service appropriations expired on December 21, 2018. As of December 22, 2018, there are no annual appropriations for Federal Agencies, including the USDA Forest Service.

Monthly lease payments may be affected and/or delayed depending on the length of the lapse of funding which is unknown at this time.

During the lapse in funding, you may see certain types of excepted employees present in the Federal offices. These employees include but are not limited too, those employees who are:

- 1) Performing emergency work involving the safety of human life or protection of property
- 2) Involved in the orderly suspension of agency operations
- 3) Performing other functions exempted from the furlough

If you have any questions or concerns, please email me at sarah.petroff@usda.gov or call at 406-329-3602.

Sincerely,

SARAH PETROFF
