Subject: Invitation to public meeting

To the honorable commissioners of Ravalli County

On behalf of Cultivating Connections and BitterrootValley.org, I wanted to extend an invitation to the community roundtable we are hosting at the Bedford Building in Hamilton on February 9th beginning at 10:30 AM.

This event is open to the public and will use innovative new meeting structures to drive a fun and engaging conversation around creating resilience in our community through the development of food security and a circular economy for the Bitterroot Valley.
