## Forest Seeking Volunteer Campground Hosts

Hamilton, Montana (February 8, 2019) – The Bitterroot National Forest is seeking volunteers to serve as onsite camp hosts this summer. The Darby Ranger District is looking for a camp host for Three Frogs Campground within the Lake Como Recreation Area. Campground hosts play an important role in assisting with the management of these areas and working directly with the public. Volunteers are rewarded with a nice place to stay during the summer, a modest daily stipend to cover living expenses, lasting friendships, and a sense of pride in keeping the sites safe and communicating with the public about our National Forests.

If you are interested in serving as a campground host on the Bitterroot National Forest, visit [www.fs.usda.gov/main/bitterroot/workingtogether/volunteering](http://www.fs.usda.gov/main/bitterroot/workingtogether/volunteering) for more information or contact Sam Cook at the Darby Ranger District at (406) 821-4298.
