**Supplemental Nutrition Assistance Program-Education (SNAP-Ed)
Support Agreement with Ravalli County)**

Year: Fiscal Year 2020

Ravalli County agrees to support the Supplemental Nutrition Assistance Program – Education (SNAP-Ed) for the fiscal year 2020 (October 1, 2019 through September 30, 2020). Support from the Ravalli County Extension office includes donated Extension supervision and/or support staff salary (ies), office supplies, communication expenses, and office space.

The Office of Public Assistance will collaborate to identify SNAP recipients and SNAP applicant audiences.

In return, SNAP-Ed will provide direct nutrition and physical activity education to Ravalli County eligible audiences. Also, each educator will collaborate on Policy, Environmental, and System (PSE) changes that relate to nutrition, physical activity, obesity and health within their area of service.

This program is supported by federal SNAP-Ed grant dollars. Federal funding will pay for SNAP-Ed staff salary, benefits, training, educational materials and travel costs.

SNAP-Ed is a collaboration between Montana State University Extension and the Montana Department of Public Health and Human Services.
