Ravalli County Commissioners –

I just wanted to take a minute to advocate for Ravalli County's continued support of RCEDA. RCEDA is a critical programming partner for Bitterroot College. Without RCEDA, the Bitterroot College would not be able to offer its slate of Building Bitterroot Businesses courses which have been successfully enrolled three times a year for nearly 10 years – a programming accomplishment unparalleled in Montana. RCEDA's connections to local businesses and industries as well as its expertise in and understanding of the area economy make RCEDA an invaluable partner as the Bitterroot College looks to be responsive to County workforce training needs. RCEDA has its finger on the economic pulse of the community – exactly what the College (and the community!) needs in order to be strategic and successful in developing and implementing local workforce training opportunities.

Please continue to support RCEDA.

Sincerely,  
Victoria Clark
