Gentlemen,

As the former CEO/Executive Director of the Bitterroot Chamber of Commerce, I have had the expressed pleasure of working closely with Julie Foster and her board of directors on many projects to foster business development and growth within our county. I urge that you continue to fund RCEDA budget requests and render all assistance possible in securing future state funding for our rural needs. It seems that, once again, Ravalli County is last in line to be recognized for our contributions to the State of Montana economy...

Respectfully,

Richard O'Brien
