Dear Commissioners,

The City of Hamilton is graciously requesting the \$4,000 donation to the City for placement in the City's Fireworks Fund, as reserve money, which the City will also match.

The money provided by Ravalli County and the City will be used only to the extent that donations do not exceed the cost of the fireworks display in subsequent years. As donations exceed actual costs, the reserve money will be restored to the original amount.

The City of Hamilton is grateful to Ravalli County and appreciate the County's willingness to provide this amount so that all in the City and County may continue to enjoy this patriotic event this year and in the coming years.

Thank you,

Dominic Farrenkopf - Mayor
