**To:** Ravalli County Commissioners Office  
**Subject:** Mill Creek Rd Speed

To whom it may concern.

Regarding the scheduled meeting July 11th  
With the commissioners of Ravalli County  
about the road speed on Mill Creek rd.

I'd like to express my thoughts and feelings  
about the speed of vehicles driving on Mill Creek rd.

I've lived at 468 mill creek rd. for over fifteen years, and vehicles traveling this road are going too fast.

I've paid for dust control spraying of the road for almost as long as I've lived here because speeding vehicle create a lot of dust.

There is no stop sign at bowman road and most cars barely slow down.

I have animals fenced but speeding cars scare them. I also have a dog, cat, and grand children, and lots of wildlife so I worry about their safety.

Please consider posting speed signs for residential speeds, and a stop sign at the intersection of Mill Creek rd. and Bowman road. I'd consider paying for some of this.

Please help. It's all about safety for the residents, animals, and drivers.

Sincerely,  
Joseph Atencio
