Subject: Low-and Moderate-Income Data Update

MONTANA DEPARTMENT OF COMMERCE

The U.S. Department of Housing and Urban Development has released data relating to the number and percentage of households who earn annual incomes equal to or less than 80 percent of the area median income (defined as Low and Moderate Income) – based on U.S. Census Bureau American Community Survey data for the years 2011 to 2015. Data is available for Montana counties, incorporated cities and towns, census designated places, and census block groups.

The data and map application can be viewed [here on the HUD website](#).

The new data will replace figures previously provided by HUD for the years 2006-2010. The new Low and Moderate Income Summary Data went into

effect on April 1, 2019. These data can be used to qualify *all new area-benefit activities as of April 1, 2019.*

2011-2015 Census Data can be found on the [Community Development Division website](#).

Community Development Block Grant project applications submitted after April 1, 2019 should use [this new HUD data](#)
