Subject: Safety meeting tomorrow for School District Business Managers - URGENT

Hello to all of you,

I apologize for emailing all the Commissioners but I have not been able to reach Glenda your Administrative Assistant via phone or email for several days and she sent out an invitation to all the School District Business Managers in the County inviting us to a meeting tomorrow.

The invitation from your office was as follows:

Meeting with Commissioners et. all regarding the implementing of the Interdisciplinary Child Information and School Safety Team (as required by Senate Bill 0035

Unfortunately, the invitation didn't say where the meeting is to be held. In addition, I have been trying to reach Glenda to let her know am not the Districts Safety contact and would be completely useless at a meeting to discuss safety or student issues.

Can someone please contact me immediately as I am not intending to attend tomorrow's meeting for the reasons noted above, and would love to chat with someone about rescheduling with the correct District personnel.

Thank you,

Jolene Tollenaar
