Mill Creek Road

To whom it may concern:

My name is Patricia McCloskey and I live off Mill Creek Road and would like to share my thoughts for a speed limit to be issued on Mill Creek Road. I travel the road almost every day to get to work or other destinations.

I realize our area and the surrounding area has grown over the last thirteen years I have lived here; thus leading to more traffic. Unfortunately not everyone drives with consideration for those that use the road for walking, horseback riding, children riding their bikes, people walking their dogs, or for other drivers that are being respectful of others by driving at a reasonable speed (25-30 mph). I would also like to mention all the dust when vehicles are speeding. It makes for a very dangerous situation for all!

Speaking for myself I would love a speed limit to be posted on Mill Creek Road. I know Orchard Road and Bowman Road have a speed limit of 35mph. I appreciate country living that's why I bought a home here. I just wish we could fix the problem of unwarranted speed so everyone can enjoy country living at it's finest.

Sincerely,

Patricia McCloskey
