To: County Commissioners

From: Steve Bergeron
President, Ravalli County Park District #2 Board

RE: New Board Member

The board has had 1 opening since the dismissal of Paul Belenger. We have found an individual who has expressed interest in serving on the board and we would like to appoint her to the position.

Her name is Marilyn Wilde and she has lived in Ravalli County for over 15 years. She is currently employed by the forest service. She has spent many years working in our community for several years and has been very supportive of community projects and has been a member of the Bitterroot swim team for several years. She is also a frequent patron of bitterroot aquatic center.

She is very interested in helping to expand the programs and facility and in supporting the Aquatic Center in all of its endeavors. We ask that you accept our recommendation and approve Marilyn Wilde to serve on the Ravalli County Park District #2 board.

Thank you for your consideration.

Steve Bergeron
